Subject Fw: Schedules for 192 and Subpart W

Hi Ray,

Please see the attached, approved deadlines and milestones for both the 40 CFR 192 rulemaking and the Subpart W rulemaking. Will you please update RAPIDS with this information? If you have any questions on 192, please contact Loren, and me for any questions on Subpart W. Thanks!

Reid

Subject: Schedules for 192 and Subpart W

FYI,

The attached file has our schedules for 192 and Subpart W that we need to make since they are going forward in the Tier 1 document and briefings. The Fall of 2012 is problematic because of the elections. Due to a potential change in administration we should try to get our regulations to OMB as early in 2012 as we can--September may be too late.

May the force be with us!
